

Documentation of Custom My Account - Premium

Installation of Custom My Account - Premium

Installation

1. Install Word Press from http://codex.wordpress.org/Installing_WordPress.
2. Upload via FTP: - Unzip the zip archive you have downloaded on your computer. Upload the folder to your server via FTP into the directory plugins on your Word press installation (wp-content > plugins).
3. Upload via [Word press Admin](#): - Go to your WordPress admin panel, and then to Plugins. Click on "Add New" and then upload the zip file of the plugin using "Upload Plugin" button you can find on top of the screen.
4. For the plugin to work as it should, [Woo Commerce](#) plugin has to be installed and enabled.

Activation

Once you have uploaded the plugin, activate your plugin in **Plugins > Installed plugins**.

If it has been activated correctly, plugin control panel is available in the tab **Custom My Account** in Word Press dashboard.

Description

Custom My Account For Woocommerce allows your customers to have all the important records like 'My Downloads' and 'My Orders' and Editable information like 'Address' or 'Account' Details together at one place.

General Settings

- Enable / Disable custom profile option.
- Can set the menu style in two forms - **“Sidebar”** and **“Tab”**

The image shows a screenshot of the 'General Options' settings panel. It contains three settings:

Setting	Value
Enable plugin	<input checked="" type="checkbox"/>
Custom Profile	<input checked="" type="checkbox"/>
Menu Style	<input checked="" type="radio"/> Sidebar <input type="radio"/> Tab

Allow users to upload their profile picture.

This feature of the plugin lets your users add a profile picture of their own choice, instead of keeping the default avatar as their profile image.

Sort the Menu Options

This feature lets you rearrange the menu options as and when you want to. Based on your priority, you could easily sequence the menu options in the backend.
