

Documentation of Multistep Checkout - Premium

Installation of Multistep Checkout - Premium

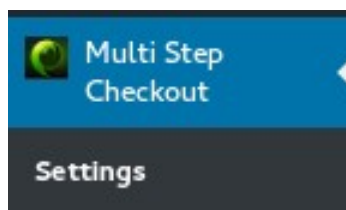

Installation

1. Install Word Press from http://codex.wordpress.org/Installing_WordPress.
2. **Upload via FTP:** - Unzip the zip archive you have downloaded on your computer. Upload the folder to your server via FTP into the directory plugins on your Word press installation (wp-content > plugins).
3. **Upload via [Word press Admin](#):** - Go to your WordPress admin panel, and then to **Plugins**. Click on "Add New" and then upload the zip file of the plugin using the "Upload Plugin" button you can find on top of the screen.
4. For the plugin to work as it should, [Woo Commerce](#) plugin has to be installed and enabled.

Activation

Once you have uploaded the plugin, activate your plugin in **Plugins** → **Installed plugins**.

If it has been activated correctly, plugin control panel is available in the tab **Multistep Checkout** in Word Press dashboard.

Description

Multistep checkout for woocommerce can be used to convert your checkout page into multisteps.

Convert your checkout page into five steps - **Login, Billing, Shipping, Review Order, and Payments.**
