

Documentation Of Ajax Product Search – Premium

Installation of Ajax Product Search -Premium

Installation

1. **Install Word Press** from http://codex.wordpress.org/Installing_WordPress.
2. **Upload via FTP:** - Unzip the zip archive you have downloaded on your computer. Upload the folder to your server via FTP into the directory plugins on your Word pres installation (**wp-content > plugins**).
3. **Upload via [Word press Admin](#):** - Go to your WordPress admin panel, and then to **Plugins**. Click on "Add New" and then upload the zip file of the plugin using the "Upload Plugin" button you can find on top of the screen.
4. For the plugin to work as it should, [Woo Commerce](#) plugin has to be installed and enabled.

Activation

Once you have uploaded the plugin, activate your plugin in **Plugins > Installed plugins**.

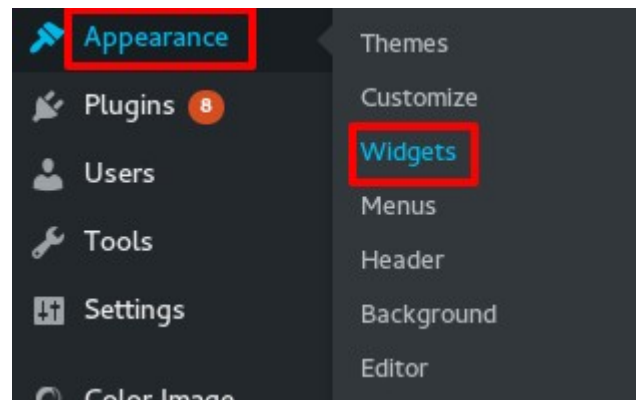

If it has been activated correctly, plugin control panel is available in the tab **Phoeniix >> Ajax Product Search** in Word Press dashboard.

Description

Ajax Search Plugin lets your online customers search for their required products on your site.
