## Documentation of Woocommerce Login / Sign up Premium

### Installation of Woocommerce Login / Sign up Premium

#### Installation

1. Install Word Press from [http://codex.wordpress.org/Installing\\_WordPress](http://codex.wordpress.org/Installing_WordPress).
2. Upload via FTP: - Unzip the zip archive you have downloaded on your computer. Upload the folder to your server via FTP into the directory plugins on your Word press installation (wp-content > plugins).
3. Upload via [Word press Admin](#): - Go to your WordPress admin panel, and then to Plugins. Click on "Add New" and then upload the zip file of the plugin using "Upload Plugin" button you can find on top of the screen.
4. For the plugin to work as it should, [WooCommerce](#) plugin has to be installed and enabled.

#### Activation

Once you have uploaded the plugin, activate your plugin in **Plugins → Installed plugins**.

If it has been activated correctly, plugin control panel is available in the tab **Sign up/Login Pro** in Word Press dashboard.

#### Description

With this free Sign Up/ Login plugin, you can easily create a sign up and login process for your ecommerce site.

With this plugins you get short codes for :-

1. Short code for login form - `[!sphe-login-form]`
2. Short code for signup form - `[!sphe-signup-form]`
3. Short code for both login and register form - `[!sphe-header]`

For headers and templates use this code -`<?php echo do_shortcode('!sphe-header'); ?>`

## GENERAL OPTIONS

### Direct Access to ‘My Account’ Page

This feature allows a new or existing user to directly access ‘My Account’ Page, as soon as he/she Signs Up or Logs Into his/her account on your website.

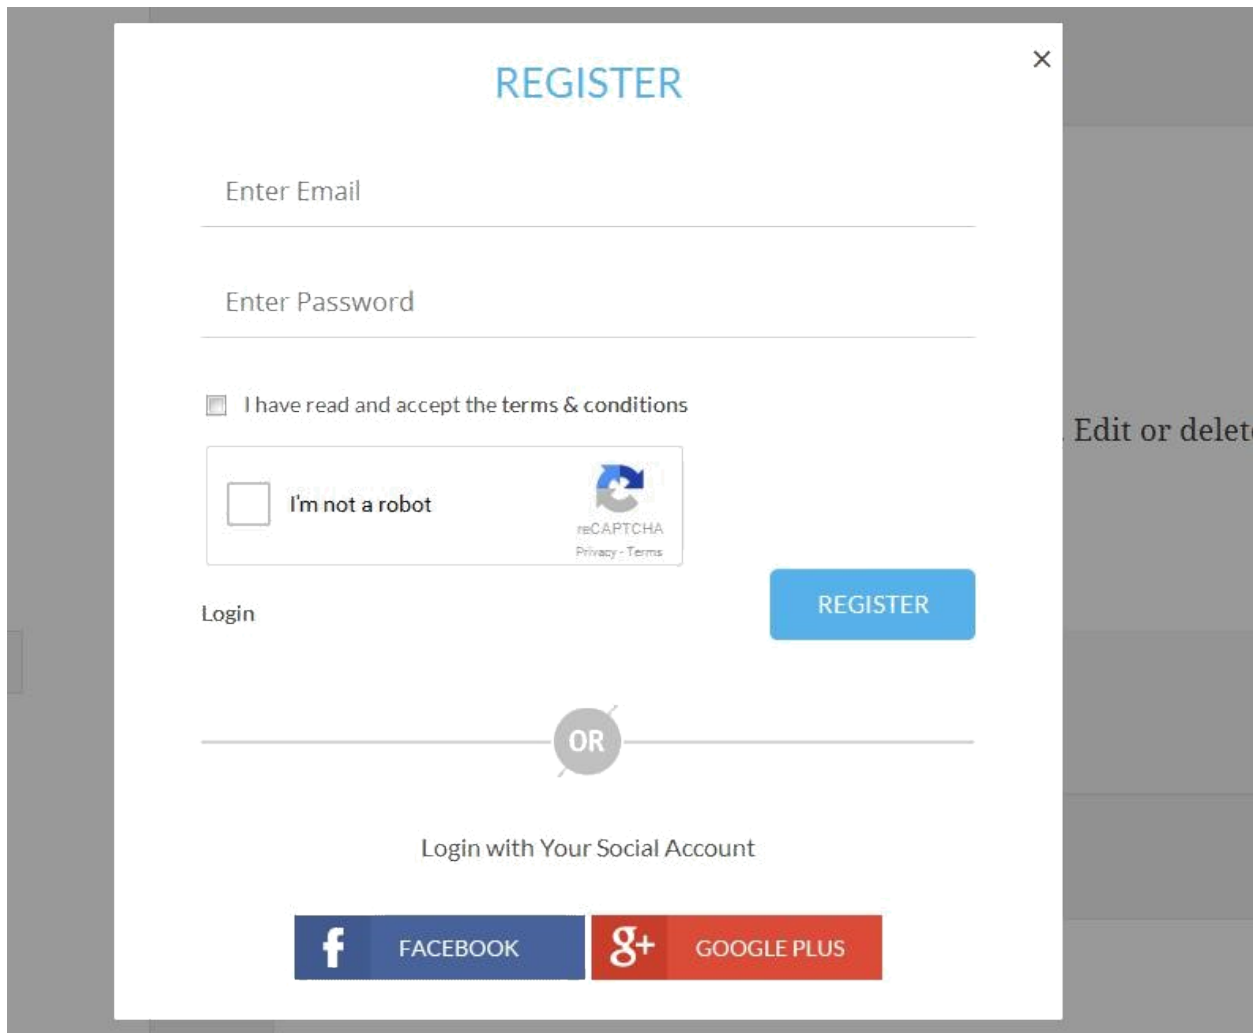

Hello meghasharma ([My Account](#) [Sign out](#)).

**Add ‘Google Recaptcha’ at the time of Signup**

This option allows you to place ‘Google Recaptcha’ feature before a new User Signs Up. The feature lets you ensure that the new user is a human and not a robot.

Enable Google reCAPTCHA:	<input checked="" type="checkbox"/>
reCAPTCHA Site key	<input type="text"/>
reCAPTCHA Secret key	<input type="text"/>
Enable on Signup form:	<input checked="" type="checkbox"/>

## Set Popup Layout

The plugin lets you set the Popup Layout whenever you require to do so. You are provided with three Layout choices, out of which you could select one.

Layout type

## Set Popup Style

The plugin gives you two choices of Popup Style. You could either set the Popup Style as Lightbox or as Dropdown.

Popup style:  Lightbox  Dropdown

### **Add Auto Load**

You could let the popup load automatically and could set the desired number of seconds after which you require the popup to appear on the loaded page.

Auto load popup:

Open popup after:  sec

### **Enable/Disable Terms & Conditions**

You could Enable or Disable T&C on Registration Page. You could also change the label color.

Enable Terms & Condition:

### **Integrate Social Login into Popup**

With this feature, you could enable social login through Popup/Pages and set the Social Account Layout either as 'Up' or as 'down'. You could upload FB and Google+ icon images as well.

Enable Social Login (Facebook, Google+):

Facebook login image  Upload

Google+ login image  Upload

Social account layout for page  Up  Down

## Set Social Account Layout

This feature allows you to set the position of Social icons. As per your preference, you could either keep it as 'Up' or as 'Down'.

Social account layout

Up  Down

Social account align

left  centre  right

## Customize Labels in Login Form, Register Form & Pop Open Link

- For **Login Form** you could write your own 'Heading', 'Username' Label, 'Password' Label, 'Lost Password' Label, 'Remember Me' Label & 'Login Button' Label.
- And for **Register Form**, you could write your own 'Heading' Label, 'Password Label', 'Email' Label & 'Register Button' Label, Can enable/disable 'First Name Field', 'Last name Field', and ' Confirm Password Field'.
- For **Pop up open link** settings for Desktop and Mobile, you could write 'Login' Label and 'Register' Label, Can set the icon font size.
- For **Pop up open link settings after login message on header** – You can show either text or tooltip, 'Tooltip Label',you can show 'Hello Text', 'My Account link' and 'Sign out link'
