

Documentation of Reward Points for Woocommerce

Installation of Reward Points for Woocommerce

Installation

1. Install Word Press from http://codex.wordpress.org/Installing_WordPress.
2. Upload via FTP: - Unzip the zip archive you have downloaded on your computer.
Upload the folder to your server via FTP into the directory plugins on your Word press installation (wp-content → plugins).
3. Upload via [Word press Admin](#): - Go to your WordPress admin panel, and then to Plugins. Click on "Add New" and then upload the zip file of the plugin using "Upload Plugin" button you can find on top of the screen.
4. For the plugin to work as it should, [WooCommerce](#) plugin has to be installed and enabled.

Activation

Once you have uploaded the plugin, activate your plugin in Plugins → Installed plugins. If it has been activated correctly, plugin control panel is available in the tab

Reward Points in WordPress dashboard.

Description

It is a plugin which provides the customers to get the reward points on the basis of the purchase of the products or the money spent by them.
